Council Sets Feasibility Study, Public Hearing For Land Swap

Planning, Parks Groups' Advice Sought For Study

Exchange Might Require 3 or 4 Favorable Ballots By Electorate

At its meeting Wednesday night the City Council decided to explore the feasibility of an exchange of land comprising its Memorial Park at Sierra Madre Blvd. and Hermosa for approximately 60 acres of hillside land at the northerly end of Baldwin Avenue.

The swap of 4.2 acres of park land for the 60 acres owned by Huntington Construction Company and Henry V. McNulty plus an offer of \$100,000 from the developer was placed before the Council at the previous meeting with a possible late April deadline. Council concluded that the only logical step available to it was to obtain a feasibility study from the Parks and Recreation Commission and from the Planning Commission, plus a land appraisal of both pieces of property so that all facts may be put before the public at a public hearing.

The public hearing was set for an adjourned meeting to be held April 5.

City Attorney Charles Martir pointed out that it

may be necessary to have 3 or 4 ballotings by the electorate on different phases of the land exchange, with favorable votes at all elections before the transaction could be finalized.

It was also pointed out that money obtained, should the deal be consummated, must remain in the Parks and Recreation accounts for the portion of the lands now dedicated for parks purposes unless freed by balloting.

A maximum sum of \$2,000 was appropriated, with a matching amount requested from the developer for appraisal of the two properties.

James Vine, 254 Rancho Rd., spoke against the exchange of the two properties, pointing out the downgrading of nearby property and removal of park from central location.

Achievement Award Given Local Girl

Paula Randall of 441 Ramont Ave., Sierra Madre, won a special "Achievement Award" for her welded sculpture "Fugue" in the juried Fine Arts Exhibit at the Date Festival in Indio the past week.

FRIDAY, FEBRUARY 25th marked the grand opening ceremonies of the new Mariposa Avenue, as the ribbon was cut by Sierra Madre's first Mayor Jones. Assisting in the ribbon-cutting was present Mayor Abernethy and his son Ron, both of whom were celebrating their birthdays on this date. Mariposa Avenue, or as formerly known as Suffolk Avenue, extension has been in the planning stage with the City for the past ten years at least, and as it opens it provides an additional 247 off-street parking spaces for potential customers.

Nature Friends Hear Talk and View Film 'California Condors At Home'

"California Condors at Home" will be the subject of a talk and short film presented by Mr. Al Ryan, Saturday, March 5, 8 p.m., at the Nature Friends Clubhouse in Sierra Madre Canyon (Yucca Trail just off Woodland Drive).

Mr. Ryan is past president of the San Fernando Audubon Society and has made a special study of the condors, whose nesting area is threatened by a proposed dam.

The Los Angeles local of the Nature Friends started building its Clubhouse, through volunteer labor, about 1928, as a starting point up the climb up Mt. Wilson, before the present road was built.

The Nature Friends is a hiking, skiing and conservation club. We welcome hikers and conservationists to come and get acquainted with us and our program. All who are interested are invited to come and enjoy the "California Condors at Home," followed by refreshments and dancing.

Facts Concealed Says Chairman Fleck

TAXPAYERS ASSOCIATION TELLS OF ITS OBJECTIONS

The Pasadena Taxpayers Association announced its opposition to the wasteful \$19,000,000 school bond issue, according to a statement released today by Frank A. Fleck, chairman of the association. This opposition is based on lack of confidence in the school board, poor utilization of facilities, and concealment.

The Association objected to the maldistribution of the proposed bonds. For example, only \$221,364 will be spent within Sierra Madre, and yet Sierra Madre residents will pay \$1,408,000 added school taxes over the life of the bonds, based on present assessed valuations. With regard to Blair High School, Fleck stated that the 1963 bond issue provided for an initial capacity of 1500 students, expandable to 2000 and with all common facilities for 2000, to cost \$5 million. However, they knew, even then, that it would cost more, as shown by minutes of the board meetings. The total costs have so far exceeded \$6 1/2 million, exclusive of an auditorium. Their own consultants, Odell Mac Connell Associates, state that present construction will provide 2182 "spaces" to serve 1745 students at 80 per cent utilization. And yet we are being asked to expand the capacity from 1500 to 2000!

Fleck challenged the necessity for bleachers and lights to accommodate city-wide athletic contests while the Rose Bowl remains idle. The claim has been that the Rose Bowl is "unsafe" because of hoodlum elements. The Association thinks we should learn to control our hoodlum elements instead of running away from them. The Association attacked the unnecessary demolition of Garfield Elementary School, and the redistribution of the displaced students to Allendale and Arroyo, which would require extensive expansion of facilities to handle the influx.

Critical and expensive high school facilities are used only 840 hours per year, remaining idle more than 90 per cent of the time. The Association believes that modern methods of value analysis and operational research could point the way to better utilization without the necessity for double sessions. Fleck accused the board of concealing the drastic decline in the local birthrate, which has dropped 20 per cent in just the past two years. There is mounting evidence that this trend is nationwide and has only just begun. This factor will seriously affect school enrollments beginning in about 5 years, although we will be paying off the bonds for 20 years.

The Association cited increases of 84 per cent in the School District tax rate in the past 10 years.

Finally, the Association believes that the board is trying to conceal its real intentions. —Please turn to Page 6

A 'See For Yourself' Philosophy

Encourage Children To Observe Says Pair of Local Naturalists

Following the Trend

S.M. Police Report Shows 12% Increase In Crime Rate

Sierra Madre Police Chief James F. Bale presented his annual report to the City Council Wednesday night which showed that, although the city was slightly below the national average in rate of increase, crime is on the upswing in our community.

According to the report, there were 1,137 reports of crimes investigated; 40 were unfounded resulting in a total of 1097 actual crimes occurring in the city.

This represented an increase of 12 per cent over the 979 crimes committed in 1964 or an actual increase of 118.

The most frequent crime reported was theft of items under \$50, with 139; closely followed by outside traffic warrants, 128, and malicious mischief, 121. Other crimes making up the balance show a wide diversification.

Crime Index

In reporting on the crime index rate, which is figured on the number of Part 1 crimes (murder, robbery, rape, aggravated assault, burglary, larceny over \$50 and automobile thefts), per 100,000 inhabitants Sierra Madre compared as follows: United States, 130.2; California, 242.5; L.A. Long Beach Standard Metropolitan Statistical area, 326.0; and Sierra Madre, 109.8. All figures, with the exception of those for Sierra Madre are for 1964 (the last year for which complete statistics are now available.)

In breaking down the Part 1 crimes locally the report indicated that there were increases in every category, with the exception of robbery which dropped to 0 for the year 1965. Other local statistics show the following increases over 1964: Rape, 2 up; 1; aggravated assault, 15 up; 5; burglary, 62; 3; theft over \$50, 31; 7; and auto theft, 17, 3. The total number of Part 1 crimes increased by 18.

Arrest Statistics

During 1965 there were 596 arrests and detentions; 270 adults, and 326 juveniles.

Adult arrests accounted for 45.3 per cent, and juveniles 54.7 per cent.

Adult arrests were disposed of thus:

New Escrow Officer For Local Bank

Appointment of a new escrow officer at the Sierra Madre branch of Bank of America has been announced by Manager Hugh Barton.

Mrs. Diane Watson, formerly escrow officer at the Duarte branch, has succeeded Nora Heckmann. Mrs. Heckmann who had been at the branch since the escrow office was opened last fall, has been promoted to assistant cashier and transferred to the Arcadia branch.

Mrs. Watson is a native Californian, born in Los Angeles. She attended University of California at Santa Barbara and UCLA.

The new Sierra Madre escrow officer and her husband reside in Pasadena.

Gala Celebration For PTA-Sponsored New Scout Troop

A party was held at Scout Headquarters last week celebrating the organization of a new Boy Scout Troop 381, sponsored by the Sierra Madre PTA. The Scouts and their entire families joined in the fun.

Dor Donaldson, Scout executive, welcomed the Troop into the Rosebowl District. Edwin Cowan, co-president of the PTA presented the charter, officially activating the Troop, which was accepted by John A. Sielen, chairman, and Tom Van Achthoven, Scoutmaster.

Mrs. Velma Embree baked and decorated two large cakes on which she inscribed the names of all the boys. Mrs. Ruth Barden and Mrs. Margaret Van Sielen were in charge of the dinner. They decorated the tables and made beautiful Scout place cards for each Scout.

Following the dinner a tour was conducted through the building explaining the various camping, field, and record services which are available to Scouts and their troops. A strip film was shown about how the dollars contributed to Scouting are spent. Pat Flanagan accepted chairmanship of the sustaining membership drive.

The height of the evening was a NASA film in color and sound of the John Glenn Story. Also another movie was shown the Scouts and their families, the 1965 All-American Football Team with game highlights and the nation's top players, which the boys enjoyed very much. On hand to represent the Sierra Madre News was Mrs. Mary-Madeleine Lanphier.

The Troop has completed two five mile hikes as part of their second class requirements. They are getting ready for an overnight camp at Mount Baldy March 26 and 27. All money required to cover cost of this camping trip will have been earned by monthly door-to-door campaign collecting pop bottles. The next drive is scheduled for Saturday morning, March 5.

Meeting place of Scout Troop 381 is every Tuesday evening at 6:30 p.m. at the Youth Hut. John A. Sielen indicates: "where all the windows have been broken through vandalism. The Scouts are hoping and wishing that the new recreation building planned for Sierra Vista Park will soon become a reality, which would make it a more congenial place to hold Scout meetings."

Other committee members of Troop 381 include Peter K. Farley, institutional representative, Richard H. Barden, advancement chairman, and Robert G. Peterson, treasurer.

CHARTER MEMBERS of newly organized Sierra Madre Boy Scout Troop 381 celebrate. Front row, left to right Marshall Sielen, Vincent Peterson, Richard Barden, Pat Flanagan, and Eric Van Achthoven. Middle row: Mark Fuhlman, Vincent Vine, Bill Van Sielen, Randy Grier, Don Kitzerow, and Craig Walters. Top row, left to right, Mr. and Mrs. Edwin Cowan, PTA Co-presidents, Tom Van Achthoven, Scoutmaster, and John A. Sielen, troop chairman.

by Mary-Madeleine Lanphier

Parents who care might be surprised, momentarily, if they were to consult with the husband and wife team of naturalists who live in Sierra Madre. For Mr. and Mrs. Kenreth Kinnucan, of 729 W. Alegria, parents themselves of two children, Robbie, 8, and Mark, 5, though considered authorities, employed as naturalists in two parks, bearers of scholastic honors, and both writing of nature studies, would probably say forget the books and just turn them loose to observe. "See for yourself" is the philosophy shared by both.

This is the credo on which they base their jobs. Ken Kinnucan works at the McCurdy Nature Center in Eaton Canyon Park; his wife, Edie Kinnucan, is the naturalist employed by the city of Arcadia to direct activities at Wilderness Park, 2240 Highland Oaks Drive. In each situation the goal, whether for Scouts, university students or general public, is to provide help and guidance for doing one's own exploring and observation.

Perhaps the Kinnucans may be taking for granted the important factor of parents' caring, and the making available of opportunity to observe, since each was fortunate to have had both. Ken Kinnucan's mother was a teacher interested in nature who went hiking. By the time he was 12 he had begun working with taxonomy, particularly of birds, and spent high school vacations working in this field at the Colburn studio in Los Angeles. This resulted, eventually, in his being asked to do the collection of birds for the zoology department of California State College in 1961-62; to sketching, painting and current writing of a study guide on birds of this area.

Perhaps some mid-west influence is a help in nature interest. Ken's mother originally came from Billings, Montana, met his father, a native Californian, at Redlands. His wife Edie was born and brought up on a farm in Idaho Falls, Idaho, where as a girl she became very busy as a 4-H club member for about 9 years, winning national honors in canning and frozen foods, raising geese and chickens and a garden, and being involved in a wide assortment of projects such as forestry and weed and insect control. At college she began as a home ec major, with a forestry minor, shifted to zoology and wound up teaching this for two years as a laboratory instructor at Penn State, after securing her BA from the University of Idaho.

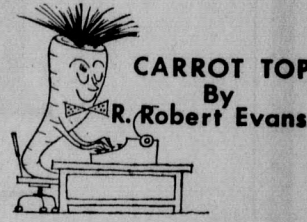

Before moving to California and marrying Kenneth, Mrs. Kinnucan also put in a year of study at the University of Pittsburgh, at the same time that she worked with the Mellon Institute of

Industrial Research, under a Union Carbide Fellowship, on blood tests to determine the effects of chemicals on animals.

Mr. Kinnucan, who took his BA at Cal State of L.A., is an honorary member of the Geographical Society, belonged to Des-o-mounts, a nature club of Cal State College which studies the interrelationships of desert, ocean and mountains, and has made field trips all over the state.

He has also belonged to the L.A. Astronomical Society, and builds telescopes, is currently making a small one for his wife. He is now working toward his master's degree, counts himself lucky to have had 10 units under the celebrated professor Roland Ross, who, as a friend his mother met when she was securing her teacher credentials, had encouraged Kinnucan as a boy.

Mrs. Kinnucan is a member of the Ecological Society of America and the American Institute of Biological Science. She did the thesis for her master's on how deer utilize chaparral shrubs after fires, and on the fire history of the San Gabriel Mountains.

CARROT TOP
By
R. Robert Evans

Of course, one of our energetic Councilmen, who being one not worried about the coming election, came up with the prize remark of the week . . . says he . . .

"I've just been out to the City Dump, things out there look terrible, so for a while . . . Let's all send something 'Beautiful' to the dump." Personally I think that is all that need be said about the situation, to me it certainly covers a great many spots.

Of course things such as this always reminds me of a story of some kind or another . . . so here goes . . . Aroused in the early morning by the din of garbage collectors at work the lady of the house remembered that she had forgotten to put out the garbage the night before.

With her hair put up in curlers and her face laden with various creams and lotions, she leaned out the window and sleepily called to the men below . . . "Am I too late for the garbage?"

"No, ma'am," replied the collector. "Hop right in" . . . And really I know just how these men must have felt . . . But I've seen messes such as this really come out looking fairly good in the wash.

Well, to tell you for sure I joined the ranks of the other three million that has had the bout with the "flu bug" and like all the rest I went down for the count . . . three and a half days.

Of course as I understand now, I didn't break any records, however, with a temperature of 102.6 for a while I sure wished that I could die . . . Of course when old Doc Davis arrived, he told me that the other half of the population were afraid they were not going to die, so just knowing that this little "bug" was not out especially to get little old me, it did make me feel considerably better.

Of course, I am really fortunate that I was the only one in the plant that had experience with this unpleasant beast, and I do hope for the good of the population that no one else will have the opportunity.

To tell you the truth, I should not have come back to work when I did, but some of the smarter ones around here were starting to wonder just what I did when I was here . . . and, of course, the minute that this kind of propaganda leaks out you're in trouble.

Anyway, I do have a wonderful crew here at the Sierra Madre News, and —Please turn to Page 9

Shades of the Past

Collection of Glass Bottles On Display At S.M. Library

by Catherine Calciprino

The painting shown at the Sierra Madre Public Library by Shepard M. Johnson of a scene in the gold ghost town of Rawhide, Nevada, portraying Gretchen, Don and Terry Kelly serves as the keynote to the display below. It is the collecting of old bottles in such terrain both in Nevada and Colorado.

The young son, Terry, has his special grouping — the ink bottles. Other classifications are the patent medicine bottles with names as California Fig Syrup, San Francisco's Hood's Sarsaparilla and many others. There are large colored wine bottles, brown snuff bottles.

The Don Kelly family pack into the more isolated parts of Nevada and of Colorado, and find it a most rewarding activity.

Books and booklets are on display for those who would like to explore further this particular field; a few titles are: "Ghost Town Bottles Price Guide," by Wes and Ruby Bessie, "Chip from the Pontil," by John C. Tibbets, "Antique Bottle Collector," by Grace Kendrick. For a detailed early history of glass a book entitled: "English, Scottish and Irish Table Glass, from the 16th Century to 1820," by G. Bernhard Hughes, we quote the following:

"The Jewel-Beauty of glass first caught the imagination of the Syrians 4500

years ago, and was cherished as a living art through the centuries that followed. Excavations in the Euphrates region have disclosed remnants of glass furnaces worked by these ancient craftsmen. Here, near Baghdad, was found the earliest known piece of

We Stand Corrected

Dear Editor:

I'd like to ask that you publish correction of three errors I made in condensing a report given me on the public forum meeting of February 15:

1. The statement made in regard to an architect for the civic center should have quoted Mayor Abernethy as follows: "The architect can be changed by the City but the electorate's vote in April regarding the civic center may make this unnecessary."

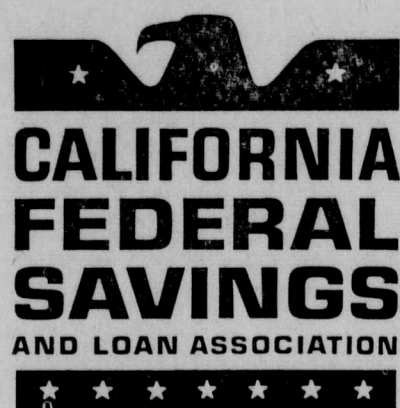

2. The statement made by Mayor Abernethy regarding the alarm system should have read, "We could eliminate approximately the same number of deficiency points by installing an alarm system as by having a 5-man paid department, and then it would not be necessary to go immediately into a paid department."

3. The fire reports recommends 3 engines for 15,000, not for 10,000.

THE BETTERMENT OF PEOPLE IS OUR BILLION-DOLLAR BUSINESS

Peggy Jo-Ann Dickson-David McElroy Hopper Engagement Is Announced

PEGGY JO-ANN DICKSON
... engaged

The announcement was made recently of the engagement and forthcoming marriage of Peggy Jo-Ann Dickson of Claremont Avenue, Oakland, to David McElroy Hopper, Sierra Madre.

Peggy Jo-Ann is the daughter of Mrs. Kenneth Eugene Hoeveke of 383 E. Kingsley Avenue, Pomona, and David is the son of Mr. and Mrs. Byron Chandler Hopper of 537 W. Sierra Madre Blvd., Sierra Madre.

The announcement was made at a point February birthday party celebration of the bride-elect and Mrs.

Hopper, at the Hoppers' Laguna Beach home.

The engaged couple have planned a June wedding, and the ceremony will be performed at the First Methodist Church in Pasadena.

The bride-elect is a graduate of Pasadena High School with the class of '62, received Mt. San Antonio College Alumni Award upon graduating there in 1964, and served as associated women student president in her sophomore year. She attended UCLA her junior year and is presently employed in Oakland.

Senior Citizens Have Washington Birthday Program

Patriotism was the theme chosen by the Senior Citizens where they met on Saturday at Memorial Park House for their Washington's birthday luncheon. The hall was filled to its capacity—the fear of the Asiatic flu did not keep anyone away. Tables were decorated with American flags and red carnations. Guests for the day were: Mrs. W. Fader of Detroit, Frances Tiffany and Mrs. Henry Hofer of Pasadena and Mrs. D. R. Pagenkopf of Sierra Madre. Member Esther Koch, who has been spending several months in New England, was welcomed back, also Mrs. Mae Brier, following a long illness.

The program featured Mr. Charles Ring of Arcadia, Armenian born, who spoke on Americanism. Armenia, he said, was the first country to practice Christianity and on account of their religion, his parents, among many thousands, were slaughtered by the Turks. He ended his talk by saying how happy and fortunate he was to live in these United States where one can choose his own religion and enjoy the many other freedoms. Only those who had gone through what he had, could fully appreciate such freedom.

President Bullock read an article on George Washington and ex-President Ridgeway gave several humorous readings. Lucy Fergin was the winner of the dollar bill, in the guessing contest submitted by Mr. Ring.

Trips announced are: The Music Center, March 2; Las Vegas, March 7, 8 and 9; Wax Museum, March 28; Universal City Studio tour, date to be announced later.

Community singing of patriotic songs and card games ended a pleasant afternoon.

The Donald Colberts, having a large family, naturally had a large bout with the epidemic. In addition to a couple of children, Mrs. Colbert reports that both her mother and mother-in-law, Mrs. Burnett Needer and Mrs. Pete Peterson were ill, and father-in-law Pete Peterson has been in Huntington Memorial Hospital with pneumonia. However, he is now improving.

'Rushing' Events Members, Guests Of Beta Sigma Phi

Two "rushing" events are on tap for members and guests of Rho Chapter of Beta Sigma Phi sorority.

On Thursday, March 3 at 8 p.m. Mrs. Stan Huntington of Arcadia will open her home for a "model meeting." Mrs. Russell Richardson, president, will preside over the meeting.

Mrs. Thomas Bates will present a dramatic monologue as the program for the evening.

A "Presentation Coffee Hour" will be held Thursday, March 10 at 8 p.m. at the home of Mrs. Kirby Shaw of Arcadia.

These events are held to acquaint the "rushes" with the aims and purposes of the sorority. "Rushes" invited to attend these two evening affairs are Mrs. Thomas Jamieson, Mrs. Jim Lynn and Mrs. Jack Gehardt.

Mrs. Robert Curtis is rush captain, and the social committee, under the direction of Mrs. Brent Rock will be in charge of decorations and refreshments.

Rho Chapter is honored to have two of its member's names placed on the ballot for election to office in the San Gabriel Valley Council.

They are Mrs. Robert Sturt, nominated for recording secretary; and Mrs. Stan Huntington, nominated for civil defense chairman.

Delta Gamma To Nominate New Officers

Nomination of officers will be the business of the evening when Pasadena Alumnae of Delta Gamma meet for 7:30 dessert at the home of Mrs. Gordon P. Sprague, 1930 Sycamore Dr., San Marino, on Tuesday, March 8. Mrs. Lewis A. Bond, Mrs. Pierce Amos, Mrs. E. Raymond Brown and Mrs. Donald L. Butler will be co-hostesses.

Recognition will be given Mrs. Elmer E. Bailey, Jr., of San Marino, who will receive her 50 year pin and certificate at the Founder's Day Luncheon, March 12, at a restaurant in Burbank.

Plans will be made for those planning to attend the Delta Gamma National Convention to be held in Portland, Oregon, in June.

All area Delta Gammas are invited to attend this meeting and may make reservation by calling Mrs. Pierce Amos, 283-6046.

Look for your neighbor in church this Sunday.

Phi Mu Plans Founder's Day

Collegiate and alumnae members of Phi Mu Sorority in Southern California will gather to celebrate the 114th anniversary of the founding of the sorority at a tea and Founder's Day service on Saturday, March 5 from one until four o'clock at the UCLA chapter house, 646 Hilgard Ave., West Los Angeles. Mrs. George Boeck of Los Angeles is in charge of arrangements. She announces that Mrs. Willis Parker of Glendale, National Alumnae Development director will lead the Founder's Day ceremony to be held at 2 p.m.

Phi Mu Sorority was founded on March 4, 1852 at Wesleyan College, Macon, Georgia, and is the second oldest national sorority. There are several hundred members in Southern California; four collegiate chapters and 100 alumnae clubs in California.

On Founders Day, Phi Mus everywhere contribute pennies to the Alpha Memorial Scholarship Fund, a penny for each year of the sorority's existence.

Local alumnae groups also support many local charities as well as serving as advisors to local collegiate chapters. Charities sponsored include toy loan carts at hospitals and the hospital ship S.S. Hope which is now the national philanthropy of Phi Mu.

Mrs. James Sullivan of Pasadena will be installed as president of the Southern California Area Council of Phi Mu at the tea by Mrs. Floyd Allen of Fullerton, outgoing president. Mrs. James Harmon of Anaheim, Mrs. Carl Stoney and Mrs. Harold Hendricks of Glendale, national and district officers, will preside at the tea table while members of the Pasadena and San Fernando Valley chapters serve as hostesses for the event.

Miss Laurel Bitter, president of the UCLA chapter, invites all alumnae to make reservations for the tea by calling the chapter house,

New Sierra Madre Residents Listed

Among the new residents to this community are:

Kristin Brown Becomes Member Of Sorority

Kristin Stark Brown, daughter of Mr. and Mrs. C. H. Brown, 49 W. Orange Grove, Sierra Madre, has just participated in formal Spring Rush at the University of California at Berkeley and is now wearing the pledge pin of Kappa Alpha Theta sorority.

Kristin is a graduate of Pasadena High School. As a pledge she will be participating in Sorority Day to be held this Saturday. This is the day when Junior Panhellenic welcomes high school girls, both juniors and seniors from all over the state to an orientation program.

Shakespeare Club Pasadena Day Tuesday, March 8

Tuesday, March 8, will be Pasadena Day at the Shakespeare Club. The noon lunch will be highlighted by a quartet from Crown City Chapter of "Sweet Adelines." The four "Songbeams," Mrs. Lorraine Butzen of Arcadia, Mrs. Barbara Townsend of Temple City, Mrs. Jeanne Lyon of Pasadena and Mrs. Mary Lampas of Altadena, will give a program of old songs. There will be a short history of the club. Mrs. William F. Hibbard and Mrs. Elmer P. Worrell, chairmen.

At 1:30 p.m. in the Shakespeare Auditorium the club will enjoy the interesting program of anecdotes of early-day Pasadena. Mr. Roy Kellogg, former president of Pasadena Pioneers and the Pasadena Historical Society and member of the Library Board from 1962 to 1965, is famous for his witty presentation of Pasadena history. Mrs. Robert H. Bunker, chairman of the day, Mrs. James C. Chambers, president.

Following the afternoon program there will be a social hour in Stratford House, arranged by the Pasadena Day Committee: Mmes. H. E. Boe, Verna Bokemeier, L. G. Bostwick, C. H. Dunlap, E. H. Gray, M. R. Ives, H. W. Lewis, C. L. Roach, L. H. Sisson and William Hunter. Miss Kathleen Lipplatt, chairman.

You and Your Neighbor

by Mary-Madeleine Lanthier

Mrs. Robert Jugen of 1410 Tropical Ave. managed to get out from under family flu just in time to act as hostess for the big two-day seminar, show and hair-styling contest which her husband's business put on at the Huntington-Sheraton at the first of March. Truly a challenge, most of us would agree, to have to be professionally glamorous after coping with young sons' sneezes.

When Ronald and Stephen Albu, sons of Aural and Margaret Albu, 345 E. Sierra Madre Blvd., were home from UCLA on semester break, they persuaded their parents to take a break, too, and the whole family spent a pleasant outdoor week on a ranch at Cloverdale and Russian River, near Santa Rosa.

Robert Clark, 320 Wistaria Way, is due for quite an interesting trip. He and his car will be one of 52 entered in the Mobil Oil Economy

Run, which leaves L.A. March 15 and arrives in Boston the following Sunday, with stops at Tucson, Albuquerque, Wichita, St. Louis, Cleveland and Philadelphia.

Yes, Virginia, there is a Santa Claus, and no, dear readers, the Star Spangled Banner lyrics really weren't written in the canyon, on account of the Indians didn't speak English then. Didn't mean to mislead, Mrs. Thorne was just joking about how extensive the legends to be collected of early days up there. But it's good to know that long columns of type do get read.

The Lee Skarins have been busy people this winter, as Marilyn's parents, Mr. and Mrs. Walter Munch from Lockport, Ill., were visiting for some weeks, but probably the children, Gurt, Neal and Eric, kept the grandparents mighty busy, too. And now, of course, Lee is engrossed in the plans for the new shopping center.

It's definitely newsworthy that one family did not have flu—the John Starkeys, newly of 75 W. Grand View since before Christmas. Friends gave Pat a housewarming party Feb. 16—Mrs. Fred Bauer, Mrs. Thomas Best and Mrs. Frank Kromka were the hostesses, and there were some 21 guests.

Carl and Martha Griffin of 259 Sturtevant recently had a pleasant weekend visiting friends in Palm Springs. And they were very quiet about it, not everyone knows that they celebrated their silver wedding anniversary just before Christmas. As Mrs. Griffin says, "When you are first married, 25 years seems so very far away, and then, quite suddenly, there it is, right upon you." Very special congratulations are due in these days!

April 14 Deadline For Registration

Last day for registering to vote for the June Primary election is June 14.

A deputy registrar of Voters will be in the City Hall Council Room every Thursday. Her hours will be 11:30 a.m. to 1:30 p.m. and again 4:30 p.m. to 6:30 p.m. Registrations will be closed from April 15 until June 24.

Villa Views

The other ladies were Mrs. William Baugh, Mrs. Eldon Osborn, Mrs. Harold Bell, Mrs. Gilbert Olson, Mrs. Charles DiBias, Mrs. Charles Marston, Mrs. Henry Asher, Mrs. Chesley Osborn, and Mrs. Alfred Allen.

Just found out that the "Trip Group" is really going to take a trip to Europe this spring. Their last trip was in 1960 when they all went to the islands. They have been meeting monthly for years and putting a deposit in the pot for a future trip. Their plans will include five weeks of touring around the continent in a bus. . . . London, Holland, Germany, Austria, Switzerland, France and Italy. . . . All in the spring.

Those planning to go are the Gordor Wrights, the Tony Bolands, the Don Hays, the Bob Farmers, the Bill Olsons, and the Charles Hardisons.

Dr. Bob had Nancy Mueller of Old House Road had kind of a sentimental dinner party the other evening. She invited some of the group that moved up on the hill together. Dr. Clete and Vera Dorsey, Joe and Amy Phillipson, Charles and Chrys Goldsworthy, Ernie and myself, and John and Mary Chapman. One of the nicest things of the evenings was the fact that Steve Chapman was home for a brief visit while his ship is being re-conditioned. Steve was but a young lad when we all moved here and now he is a fine young man. He was a delightful addition to the party.

SIERRA MADRE NEWS—3 Thursday, March 3, 1966

MEMOS FROM YOUR Stylist

by LOLITA

What is the best hairstyle for you? Briefly we might say it is one that takes note of your individuality. It must have harmonious relation to your features and be in balance with your head-to-toe proportions.

If your hair-do minimizes your faults, calls attention to your assets, looks good from the front, the back and both sides and is sensibly scaled to your physical size, you have, by any reasonable definition, an attractive hairstyle with which you just can't find any complaint.

We like to feel that complaints about our work have gone the way of dodo birds and high-button shoes. Our stylists have the delightful knack of creating the perfect hairstyle for a one-of-a-kind you. If you are in the mood for a change . . . a refreshing, provocative, eye-catching . . . come into PETITE BEAUTY SALON, 184 West Sierra Madre Boulevard, Phone EL 5-8041. . . . Manicures by: Gladys . . . Styling, Coloring, Tipping and Frosting by: Lolita, Francis, Bernadine, Sherry, Sue, Beverly, Lee and Betty. . . . La Cura Facials. . . . Imported Wigs from Germany. . . . We style, fashion and clean all wigs. . . . Open 6 days. . . . Thursday Evenings by Appointment. . . . Air Conditioned Salon and Latest in Dryers. . . . Completely redecorated. . . . Coffee. . . . Parking in Rear.

Our new VAPOZONE Machine combines Ultraviolet and Hydrogen Peroxide vapor into a health giving, cleansing mist which does wonders for the hair, scalp and complexion. THIS WEEK'S HELPFUL HINT: Brushing is good for any type hair, but use a natural bristle hairbrush rather than the nylon types.

Crippled Children Auxiliary Plan Luncheon Meet

The monthly luncheon meeting of the Sierra Madre Auxiliary to the Crippled Children's Guild of Orthopaedic Hospital will be held on Thursday, March 10 at 10:45 a.m. at a nearby restaurant.

A report of current standings in the bridge tournament will be made by the committee. Reservations have been made for members and their husbands to attend the filming of the television show "Let's Make A Deal" originating from NBC Color City in Burbank. Following the show, a late dinner will be held at a restaurant in Burbank.

Defensive driving, will always pay. Check your tires often for proper inflation pressure.

Educational Week To Be March 6-12

Sierra Madre Community Nursery School will welcome interested visitors during Nursery School Education Week, March 6 to 12. Open house will be held from 9 to 11 a.m., Monday through Friday. The school is located at 701 E. Sierra Madre Blvd.

Visitors during Nursery School Education Week will have an opportunity to learn further details of the Sierra Madre Community Nursery School program while seeing the excellent facilities in use.

The public is also invited to visit the community nursery schools' exhibits at the Sierra Madre Public Library during Nursery School Education Week.

David Emerson On Destroyer USS Orleck

Navy Ensign David C. Emerson, son of Mr. and Mrs. Lloyd G. Emerson of 111 Suffolk St., Sierra Madre, is participating in naval gunfire support missions off the coast of Vietnam as a crew member of the destroyer USS Orleck, a unit of the Seventh Fleet Destroyer Squadron Three.

Squadron destroyers have also participated in Operations "Piranha," "Dagger Thrust," "Double Eagle" and "Masher," the largest of the war to date.

Elementary School Menu 35c TRAY LUNCH March 7-11, 1966

Monday — Pizza burger pie, buttered green beans, cottage cheese on lettuce, chocolate pudding, bread and butter, and milk.

Tuesday — Hamburger with fixings of lettuce, dill sauce, and cheese, buttered peas, cherry crunch, and milk.

Wednesday — Beef and rice surprise, stewed tomatoes, red and white slaw, white cake with caramel sauce, bread and butter, and milk.

Thursday — Chili beans, buttered carrots, tossed green salad, applesauce, corn bread and butter, and milk.

Friday — Oven grilled fish with tartar sauce, buttered corn, stuffed celery, fruited jello, French bread and butter, and milk.

Menu subject to change

Woman's Club To Celebrate Founders Day

In keeping with a tradition almost half a century old, the Sierra Madre Woman's Club is celebrating its Founders' Day and honoring past presidents on March 9. The meeting opens at 11 a.m. in the Clubhouse, 270 W. Sierra Madre Blvd., Sierra Madre, with club business, says the president, Mrs. Roy E. Griffin, Mrs. Maybelle Barker, birthday hostess, will then take over with a brief historical resume and present Miss Clara Sykes, who will show color slides of a number of former birthday parties and club affairs. There are two living charter members out of the 54 who started the organization which is now celebrating its 49th birthday. Twenty-one past presidents living in this area are also being honored.

Combining with the club birthday, Mrs. Barker has arranged for all club members to have a special luncheon at the club. The menu will be: Beef and rice surprise, stewed tomatoes, red and white slaw, white cake with caramel sauce, bread and butter, and milk.

NOTICE TO ALL SIERRA MADREANS

The following statement is far more important to all of us than even our outstanding low prices Therefore in lieu of our weekly advertisement please read and note

Dear Sierra Madreans:

You, the citizens and taxpayers of Sierra Madre, are going to be asked by vote to empower the City Council of Sierra Madre to negotiate, by your mandate, an exchange of 60 acres of hillside land located in the extreme northern part of Sierra Madre, plus \$100,000 in cash, for the 4 1/2 acres of city park land in the center of our beautiful city, known as Memorial Park.

Memorial Park is centrally located for the many conveniences that it offers, such as the summer band concerts, the Toy Loan building, the playground for children, the benches where our citizens, that do not drive but have to walk, can stop and rest among the trees and shade the park now offers.

This is the only patch of green in the entire downtown area, and most planned communities try to have centrally located areas for park facilities, BUT YOU ARE BEING ASKED TO GIVE UP THIS HAVEN OF BEAUTY for a shopping center.

THINK — THINK what you are being asked to do.

On the surface the offer of 60 acres plus \$100,000 sounds like a gigantic offer, but what of the cost to develop this hillside area for a city hall, a park or civic center? Consider the inconvenience to the citizens of having to go to the outskirts of the town, up a hill, to get to the civic center or city hall. Most surrounding communities have their civic facilities located in or near the center of town, not at the outskirts.

If this park property is so valuable that the developers want to give sixty, I repeat sixty, acres plus \$100,000 for 4 1/2 acres, there is more to this than a gesture of goodness to the citizens of Sierra Madre.

Our city coffers at the present time have an adequate surplus of funds. We don't need the extra \$100,000.

THIS IS OUR ONLY CENTRALLY LOCATED PARK LAND. IF YOU GIVE IT UP THERE WILL NEVER BE A CHANCE TO GET ANY MORE. LET'S KEEP IT FOR THE CIVIC PURPOSES AND USES IT NOW HAS, A MEMORIAL PARK.

Bob Potegian

spent eight years in this area, where he had his own salon before joining Continental Hair Fashions two years ago. He is highly skilled in every phase of the hair styling art, and equally talented in creating flattering hair fashions for every age level, from the very young to the fully mature

The hairdo Bob has created here is of European inspiration and has a young, spirited look, featuring soft but definite curls. He calls it "Coquette," and there's no doubt that it's in the provocative mood! The hair is first artfully cut to achieve graceful balance, and a soft permanent is given to assure proper body and manageability. It is then arranged with height added at the back and crown of the head, with the ears covered by soft swirls. Colored a gleaming silver blond, it is immensely becoming.

Mrs. V. M. Kistner Succumbs After Brief Illness

Mrs. Violet Margaret Kistner, who passed away Feb. 27 at Memorial Hospital in Arcadia at the age of 55, after a brief illness, will be mourned by many friends here, for she had spent 28 of the 36 years she lived in California as a resident of Sierra Madre, where she had been living at 689 Alta Vista Drive. Mrs. Kistner was employed by Richly of California. Her birthplace was Missouri.

She is survived by her husband, George O. Kistner; a son, George P. Kistner of Sierra Madre; a daughter, Mrs. Robert Laudemann of Temple City; two sisters, Mrs. Dorothy Schaffer of Sierra Madre and Mrs. Ethel Kistner of Sunland, and four grandchildren.

Services were conducted by the Rev. Harley A. Smith in the chapel of the Ripple Mortuary, 201 W. Sierra Madre Blvd., on Wednesday, March 2, at 11 a.m., interment at Live Oak Cemetery. Arrangements were made by Ripple Mortuary of Sierra Madre.

PTA Meeting Pasadena High

"The Best Parent is a Better Informed Parent" is the topic of the PTA meeting to be held at Pasadena High School in the dining room on Thursday, March 10, at 7:30 p.m.

This program will provide an opportunity for parents to have their personal questions answered by qualified school personnel. Prior to the discussion period there will be a panel presentation by faculty members who will deal with problems in their special areas of responsibility.

Mr. Burns will discuss what PHS does to help student who don't adjust to the regular school program. Dr. Wickes will tell parents how they can help students plan ahead for both educational and vocational opportunities. Mr. Snyder will tell how the Neighborhood Youth Corps program is functioning at PHS.

Mr. Smyth will relate some new and interesting developments in both the sports and summer school programs. All parents are urged to attend this informative meeting. Preceding the program, the state of officers for 1966-67 will be presented for election.

S.M. Police Report Shows 12% Increase

Released with no formal charge, 10.4 per cent, turned over to other jurisdictions, 31.1 per cent; misdemeanor complaints filed or 43.3 per cent, and felony complaints filed on 15.2 per cent.

Juvenile arrests were disposed of: "Handled within the department," 73.6 per cent. This would include contact made by police but no formal complaint filed. In some cases just warnings were given or parents brought in for consultation; others may have been referred to other agencies. Another .09 per cent were turned over to other jurisdictions, generally, other police departments, and 25.5 per cent were formally referred to juvenile court.

Arrest Percentages
Comparing 1965 figures with those of the previous year the report shows:

Adult arrests for 1965, 270 compared to 1964, an increase of 36.4 per cent. Juvenile detentions increased 40 per cent, from 232 in 1964 to 326 in 1965. Total arrests and detentions up 38.6, for the comparable periods.

Traffic Accidents
Although the total number of accidents decreased .04 per cent, from 167 for 1964 to 159 in 1965, accidents involving injuries increased by .07 per cent over the same period from 40 in 1964 to 43 in 1965.

Property damage accidents also showed a decrease of .09 per cent, 127 in 1964 to 116 in 1965.

The total number of traffic citations issued showed an increase of 44.8 per cent. These included: Moving violations, 596, 1964; 542,

1965; down 54, for a percentage drop of 9 per cent. Other violations increased by almost 150 per cent. With 275, 1964; 686, 1965, an increase of 411. Parking violations were 800 in 1964, and 1192 in 1965, up 392, or 49 per cent. Total citations 1671 in 1964, 2420 in 1965, up 749.

City Jail
The city jail, consisting of two holding cells, was used for 328 days by 232 prisoners for an average of 1.4 days per prisoner.

According to Chief Bale's report the jail has failed to pass inspection by county and state agencies and a critical analysis had been sent to the Council in October, 1965.

Personnel
The personnel of the department consists of: one chief, three sergeants, nine patrolmen and three clerk-dispatchers (policewomen), a total of 16 people.

To show how it stands with the national average of number of police per 1000 inhabitants, a graph included in the report shows 1.8 for the national average, 1.4 for the average city with a population of 10,000-25,000 and Sierra Madre 1.3, per 1,000.

The chief's report shows that he is fully cognizant of the load carried by the nine members of the Police Reserve under his command. They invested a total of 2172 man hours in working and in training.

During the year 1965 the report shows that the three patrol units of the city covered a total of 98,577 miles, an increase of 5,583 miles over 1964.

Von's Executive, Dies February 24

Ed F. Hirschman, Von's Grocery Co. executive and pioneer in the delicatessen industry in Southern California, died on Thursday, February 24, at his home, 3342 Tica Drive, Los Angeles.

Mr. Hirschman was a resident of Los Angeles since 1921. He was born in Columbus, Ohio on August 19, 1901 and received his education in Terre Haute, Indiana. Early in his career, Mr. Hirschman operated his own delicatessen concession in a Von's Market from 1923 to 1929. He was later employed by Young's Market Co. and rejoined Von's in 1934, rising to the position of director of the delicatessen division, a position he held until his death.

His many friends in the industry and at Von's Grocery Co. will feel the loss of his presence and grieve his passing with his wife, Grace, and son, Edward. Services were held at St. Casimir's Catholic Church at Griffith Park Blvd. and St. George St., Los Angeles, Rosary on Sunday, February 27 at 8 p.m. and Requiem Mass on Monday morning at 9:30 a.m.

The family has requested that in lieu of flowers, a donation be made to St. Casimir's School Educational Fund, St. Casimir's School, 2714 St. George St., Los Angeles 90027.

Taxpayer's Ass'n

racial objectives. The proposed junior high school at Field is a good idea if it will be used to serve local needs. However, the board plans to create an "open transportation zone" far to the West and to engage in extensive cross-town busing in order to effect "ethnic redistribution."

Where To Vote

of precinct 6 lying within the Pasadena Unified School District.

The bonds will be sold by the school system as needed at an anticipated interest rate, amounting to \$6,892,500, or 36.75% of the principal, over a 20-year period.

For answers to other questions on vote "Yes," Sierra Madreans may call bond headquarters, 820 E. Colorado Blvd., Pasadena, 449-6142, or Mrs. Claude H. Brown Jr., 355-9693, or Mrs. J. V. Stumpf, 355-7903. Both Mrs. Brown and Mrs. Stumpf are PTA Council and Sierra Madre representatives on the Citizens for School Bonds Committee.

Philip E. Watson At Republican Women's Club

"Property Taxes — Where Do We Go From Here?" This is the timely topic to be presented by Philip E. Watson, Los Angeles County Tax Assessor at the Thursday, March 10 meeting of the East Pasadena-Sierra Madre Republican Women's Club, Federated. The meeting will be held at 2727 New York Drive, Pasadena at 9:30 a.m.

Philip Watson was elected to the office of Los Angeles County Tax Assessor in 1962 and since then has instituted a number of reforms in the assessor's department. The most basic of these changes was to announce that all assessments would be made at 25 per cent of market value, which for the first time gave property owners a yardstick to measure the equity of their assessments.

He has also been active in advocating reforms at the legislative levels in order to improve assessment administration and to achieve greater equity for all taxpayers.

"All interested women are invited to attend this meeting, which comes at a most opportune time," states Mrs. R. R. Dewees, president.

Luncheon will be served following Mr. Watson's talk. Reservations may be made by calling Mrs. John Garo, 792-2592 or Mrs. Richard Holman, 355-2368.

Bethany Church News

Thirty high school youth and their counselors from Bethany Church of Sierra Madre will enjoy a weekend conference in the mountains this weekend, March 4, 5, and 6. Jim Spillman, minister of education at Immanuel Baptist Church in Pasadena will be the main speaker for the camp which will begin on Friday night with a "fun and fellowship" hour followed by a brief devotional message. Mr. Bryan Wilhite, Fuller Seminary student and high school director of youth at the church will be in charge of the camp. Miss Becky Turner, also of Pasadena is the high school department president and is coordinating the conference. The youth return Sunday afternoon.

Dr. Robert N. Schaper, pastor of the church will preach from the Book of Daniel on the theme, "The Handwriting on the Wall" at both the 8:30 and 11 worship services. A communion service will be held at the 7 p.m. hour with members of the Board of Deacons participating. The Men's Chorus of the church, under the direction of Margaret

Schaper will sing several arrangement of hymns at this hour.

For nearly fifty years Bethany Church has served the community of Sierra Madre with a message based on the Holy Bible. Bible-centered and age-graded classes are conducted at 9:40 a.m. each Sunday. Each Wednesday morning, more than 150 women study the Bible together, with the men meeting at 8:30 on Wednesday evening. A cordial invitation awaits the visitor to any of the above services.

Lesson-Sermon 'Man' For Sunday, March 6

The absolute equality of all men in the sight of God is the theme of this week's Lesson-Sermon on the subject "Man," to be read in all Christian Science churches on Sunday. Bible references include Paul's interpretation of this fundamental spiritual premise: "For ye are all the children of God by faith in Christ Jesus . . . There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in Christ Jesus," (Galatians).

Parallel references from the denomination's textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include this statement: "Through spiritual sense you can discern the heart of divinity, and thus begin to comprehend in Science the generic term man."

"It is they who have the will to act who oftenest win the prizes . . . Or 'who dares nothing need hope for nothing' . . . The will and the dare were there for Big 'D' and Sandy Koufax . . . Wow! One million clams for doing what you want to do . . . Wow! The nice part about the two of them is that neither one wanted one penny more than the other — That's true friendship . . . Any way you look at it they'll have to rent a lot of seats to cover that kind of salary. If I had it all to do over I'd raise my son to be a baseball player . . . So he could play ball and sign autographed tee shirts and cereal boxes . . . That'd be the life . . . Be just my luck to have a kid that hated baseball from birth and I'd end up just where I am, washing and ironing the tee shirts . . . Which just serves to remind you that spring training is upon us and 'Play Ball!' is just about to start."

In the meantime the hillites are traveling here and there in the pursuit of amusement. Joe and Dodie Kirwan, Joe and Naomi Kern, and Jack and Joe

Fellowship Coffee Follows Service At Faith Lutheran

"Faith or Rationalization?" will be the 10:30 Sunday morning sermon topic of the Rev. Armin Hesse at Faith Lutheran Church, 845 Hastings Ranch Drive.

"This topic," he states, "aims to be especially helpful to young people and to the many who are trained to employ their minds in educational and scientific areas. It will define and illustrate the nature of Christian faith and aim to point out the proper usage of the intellect in its process."

At the fellowship coffee period, to be held in the patio area after the service, Dr. and Mrs. Donald Knuth will serve as the hosts for the Mr. and Mrs. Club.

"Jesus in Gethsemane," will be the lesson topic during the 9:15 Sunday school hour, according to Donald Meuser, superintendent. The Adult Bible Class, meeting in the sanctuary during this period, invites all parents to the study-discussion of the First Epistle to the Corinthians, led by Robert Beckstrom.

In the Midweek Lenten service next Wednesday evening at 7:30, color pictures with narration will be shown on "The Events in the Upper Room." The Church Council will meet after the service, at 8:30 p.m.

Congregational Sermon Theme

"The Cost of Discipleship" will be the theme of the sermon to be preached by interim minister, Rev. Shelby J. Light, at the 10 a.m. worship service next Sunday in the Congregational Church of Sierra Madre.

The anthem, "None Other Lamb," will be sung by the Chancel Choir under the direction of minister of music, Rev. Karl Beilstein, assisted by the Youth Choir under the direction of Mrs. Edward Murphy.

A Lenten service is being conducted every Wednesday evening at 7:30 in Campbell Chapel of the church. The half-hour meditation and worship program each week will alternately be conducted by Rev. Light and Rev. Glen McCormick.

Methodist Women Society Plans March Meeting

"The Student Drop Out Program and What It Means To Me," is the topic for discussion at the March meeting for the Woman's Society of Christian Service at the Sierra Madre Methodist Church. James Snyder, work and study counselor at Pasadena High School, will be the speaker at this evening meeting on March 8 at 7:45 p.m. It will be held in the parish house.

This is a very timely subject which affects every one from parent, homeowner or just the general resident of the area. All who are interested are invited to attend. Mrs. Ray Bowman, president has announced that the Priscilla Circle is in charge of refreshments. Greeters will be Mrs. John Hoy and Mrs. Lester Ward. Devotions will be led by Mrs. Jim Wolf.

Dunn, all spent a week-end ago at the Hacienda in Las Vegas. They decided it would be a good way to celebrate Joe and Naomi's eleventh wedding anniversary.

As Dodie said, any excuse is a good one to go to Las Vegas. They had a lot of laughs and fun on the way, and in spite of the fact that the weather was on the coolish side they managed to get in a little golf during the morning hours.

I'm told that there are a couple of coming events that I shouldn't pass by. One is the St. Patrick's Day Dance that will be held in the auditorium of the Assumption of the Blessed Virgin Mary Church, on Thursday, March 17 of course. They have many plans for the Irish, near Irish, and the "wish we were's" . . . Tickets are available in this area from Colene Hopkins at 798-8714, Jay Blackshaw at 798-3403, and Naomi Kern at 794-7098. Alleene Fenoglio will have

tickets in the Orange Grove area and can be reached at 796-7940, and the ticket chairman, Ann Strasser will have tickets for the Hastings Ranch area. Her number is 796-7940.

Understand they will have a sit down beef dinner followed by dancing to the tunes of Frank Jordan and his group . . . See you there.

Another important date to circle on your calendar is May 27. The Villa Guild of Rosemary Cottage has a spectacular social event coming up on that date that will take precedence over any other plans you might want to make . . . More later on this subject.

It is always delightful to welcome new neighbors into the area and Mrs. Al Dunn welcomed hers in the warmest way possible, she invited them for a coffee klatch so that they might become better acquainted. The guests of honor were Mrs. Frederick Thompson, and Mrs. Steve Lazarian. The Lazarians are in the final throes of building their home and the Thompsons have already moved in to theirs.

Two of the other ladies were anxious to hear all about the area as they have their homes on the drawing boards at the present time. They were Mrs. Stanley Osburn and Mrs. Ted Donald.

Please turn to Page 3

Noted Author Guest Speaker At Local Church

Adela Rogers St. Johns will be guest speaker at the Santa Anita Church, 226 W. Colorado Boulevard, Arcadia, at the 11 o'clock worship service, Sunday, March 6. Her subject will be, "Tell No Man." Mrs. St. Johns is nationally known as a great newspaper woman and author of serials and short stories. Her latest novel, "Tell No Man," has been recently released by the publisher. Her books will be available at the church and her autograph will give added value to your copy. The public is invited. Infant and child care is provided during the service.

All youth are welcome at graded classes in spiritual education for youth from kindergarten through high school conducted at 11 a.m. An important part of the youth work is worshipping with the parents in the sanctuary the first 15 minutes of the worship service.

Weekday activities include a Thursday morning 11 o'clock class for women. This class in spiritual therapy is conducted by Dr. Barnhart in the Chapel of Inspiration. All are welcome.

Dr. Barnhart says: "The solution to every problem is known to God. Call 447-6162 for prayer, day or night."

Encourage Children To Observe

The consequences of forest fires is another interest shared by this couple. Ken worked for the Forest Service at the Redbox Rangers station, Angelus Crest Highway at the junction of Mt. Wilson Road, and at Little Tujunga, a key forest fire-fighting station. He also spent two summers at Yosemite, with the National Park Service as a helicopter smoke chaser.

Since floods in this area are closely related to the destruction by fire of the undergrowth which normally halts the flow of heavy rainfall, both are concerned about the current battle over proposed flood control projects for the Little Santa Anita Canyon. They believe check dams are obsolete and refer to the Arroyo Seco records about such dams

Council Sets Feasibility Study

A resolution was presented by Councilman King to support a resolution of the City of Lakewood supporting our forces in Vietnam. Ronald Levy, 661 Woodland, spoke against the Council passing this resolution because he said they would not be representing the residents in speaking on this matter.

The motion died for lack of a second and the resolution set aside for possible rewording. City Engineer Lockman presented some preliminary engineering alternatives that might be used in the Sierra Madre Wash including a partial piping system to carry run-off around the four curves of the wash.

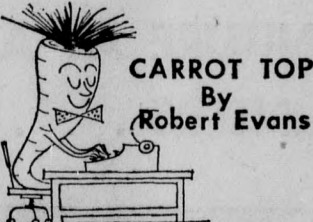

Councilman Sorensen asked the setting up of a meeting of representatives of all groups and agencies involved in the action on the Wash, to be held after the councilmen had had an opportunity to view the Sierra Madre Search and Rescue Team colored slides made of the area.

Council granted Sully Miller a time extension on possible additional work to be done on Mariposa, and voted to accept the construction. March 22 was set for the hearing on the spreading of the assessment for the work.

The body also voted to accept the parking lot in the same area and authorized payment to the contractor. The Parks and Recreation Commission was given permission to contract for removal of 26 dead trees and 19 stumps from the parkways. The cost was set at \$937.

On planning matters the when things get tight, they all know how to bring forth results. . . . So, Editor or no Editor, you received your paper last week and on time. . . . I do hope I can do the same for them if I am called upon to do so.

Now we have Mariposa Avenue all dedicated, the ribbons cut and most everyone knows where the new parking spaces will be available.

when things get tight, they all know how to bring forth results. . . . So, Editor or no Editor, you received your paper last week and on time. . . . I do hope I can do the same for them if I am called upon to do so.

Now we have Mariposa Avenue all dedicated, the ribbons cut and most everyone knows where the new parking spaces will be available.

Of course, one thing for sure, the City of Sierra Madre is not going to allow this area to become an "all night parking spot" for automobiles, and if you have ideas of this, better watch out. . . . You just won't make it work.

We do have traffic counters up at each end of the street, thanks to the City of Arcadia for lending us one for the test. Soon we will be able to tell you just how many cars are using the new area, and I'll bet it will be surprising news to all of us. . . . We may even have the report for this issue, if so it will be on page one.

I firmly believe one of the hardest things to do is to sit here and try and write a column, when half of you wants to go home and go back to bed and the other half wants to stay and get out a little work, nevertheless if this column seems a little short, I will try and do better next week, and we'll close the column for the week with the following remarks:

"When the government causes an artificial increase in the number of available dollars, the increase then tends to reduce the value of existing dollars. It's like adding water to the lemonade. Volume increases but the lemonade becomes weaker, and it takes more of the weaker lemonade to do the same job. . . . I do hope I see you around, and the way I feel now it is truly, I hope, I hope, I hope.

SIERRA MADRE NEWS—9
Thursday, March 3, 1966

Cobwebs

Miss Florence Evans, of 397 W. Montecito, is honored by a farewell dinner before leaving on a trip to the Orient, which will keep her out of the country for six years.

Fifty Years Ago:
March 3, 1916
H. W. Timm is first candidate to toss hat into ring for city election.

The Misses Hazel and Joan Woodward, honoring relatives visiting from Illinois, give a reception at which they are assisted by: the Misses Connor, Weaver, Carson and Gardner, and Mrs. Lawless, Mrs. Hart, Mrs. Mason, Mrs. Fairbank, Mrs. Knight, Mrs. Nourse, Mrs. Montgomery, Mrs. Camp, Mrs. Ingraham and Mrs. Gardner.

On an appeal from the Planning Commission's denial for a lot split on property at 481 W. Highland Ave., a public hearing was set for March 22.

Opponents of the Conditional Use Permit to Frank Green to up-date his theatre building have appealed the decision of the Planning Commission to grant the variance. A hearing was set for March 22.

The annual report of the police department was submitted by Police Chief James Bale.

Council passed two ordinances on second reading, the first raised the salary of the City Clerk from \$60 a month to \$125 and City Treasurer to \$75 per month. Both salaries will become effective with the municipal election of April, 1968. On the motion of Councilman Sorensen these will be reviewed prior to this date to re-evaluate them at that time to see if they are in line with living costs at that time.

The second Ordinance prohibits parking on Mariposa Street from Baldwin to Hermosa.

A third Ordinance affecting rezoning of certain properties was re-submitted to the Planning Commission for re-study.

Council set Wednesday, March 2, as the time for a personnel session to consider appointments to a Citizen's Master Study Group, and other vacancies.

AT HARTMAN PHARMACY WE STRIVE TO SERVE YOU

Don't you wish everyone did?

This was a saying that "Lonesome" George Goebel used to use when he was promoting a deodorant soap on TV. It came back to mind because we have just been digesting the latest Medical Letter which deals in part with Antibacterial Soaps.

These, to quote, are offered for the prevention of body and perspiration odors and for the prevention of some bacterial skin infections, end quote.

We are most interested in them from this last standpoint, since when they are used daily the antiagents build up on the skin and reduce the microbial population, reduce body odors from that source and help prevent skin infection and particularly the control and prevention of acne and other teen-age skin problems is our main concern here at Hartman, and controlled tests indicate that no one soap of this type is better than another, and that a youngster should determine for himself whether the soap used is causing him to be extra sensitive to the summer sun. Keep your skin clean and clear.

School Bonds -- Vote 'NO'

Of course, in no way am I opposed to proper education, and in an atmosphere of beautiful buildings, open classes and competent teachers, with playgrounds, stadiums and marble halls, but when it comes to the place of choosing between the luxury of education and the loosing of one's home, then it is time to put a "screeching halt" to the unnecessary, be satisfied with the average, and live and let live.

I could argue with the facts of necessity in the proposed \$19,000,000 school bond election, but I believe you are as intelligent as I, and with the heavy assessments placed against the homeowner and taxpayer, this is not the time to exploit new school facilities. Repairs, yes, but not to the tune of 19-million dollars.

Sierra Madreans are already carrying an excessive load when it comes to taxes, and when it is figured out that to secure approximately \$221,000 in needed repairs for our school buildings locally we are going to have to pay over \$1,408,000.

Figures, supplied by those in favor of the passage of the bonds, state that it will be a mere 32c per \$100 valuation that will be added to our tax rate. Schools, last year, cost Sierra Madre Taxpayers \$4.96 per \$100 valuation or approximately, one million, ninety-one thousand, add to this the 32 cents and you raise the rate to \$5.18 per \$100 valuation and raise our school taxes to one million one hundred and forty thousand.

And this is not all of the story by any means. Should the issue pass, then their will be added to the rate maintenance costs, salaries for additional teachers, etc. If these costs do not come within the budget allowances then you will be presented with an override election within the year.

In a report by school budget study committee of Taxation it is stated there is "reason to believe a program of expensive cross-town bussing is contemplated." It maintains that the election is one the first of three, that the second election -- to set up a new junior college district -- will bring an almost automatic 25 per cent tax increase and the third election will be for a tax override.

Folks, they speak of only an increase of \$32 a year on a home valued at \$40,000. Actually, if this happens, and no other agency increases its levy for the next year, the overall tax on that home is going to be in excess of \$1000 in taxes, over half of this amount will be going for schools.

Stop this while you can, at the voting booth, believe me there is another way, and it's not by taking homes away from our people.

These little "32 cent frills" can very well prove to be the "straw that broke the camel's back." It is time to provide the taxpayer with some measure of relief rather than adding on more costs. Of course, those that will suffer most will be those living on a fixed income who can no longer afford the real "basics" let alone the little "extras" being tacked on.

Odd Consistency

One of the more incredible activities of the War on Poverty has been the financing of New York's "Black Repertory Theater" which produced plays depicting white people as degenerates, and preached hatred of the Caucasian race.

The Theater's director, LeRoi Jones, has been widely quoted as defending his performances with the comment: "I don't see anything wrong with hating white people."

When the Office of Economic Opportunity was questioned about the use of federal funds to promote race hatred, according to the publication Human Events, it gave the rather lame answer that while it "does not condone or excuse the production of these plays" it "obviously has not attempted to censor the specific offerings." Its reasoning was that such programs are not subject to federal control even though they are financed by federal funds.

This is a switch. The United States Supreme Court long ago enunciated the principal that what the federal government finances the federal government must control. The government didn't hesitate to withhold education funds for Chicago at the request of a racial minority group. It doesn't hesitate to manipulate the steel market to achieve price control.

A good many Americans increasingly wonder why consistency is a bureaucratic virtue only until it hampers the radical left.

Cost of Welfare

"Even in the Great Society, it would be cheaper to send the unemployed to Harvard."

That wry editorial comment comes from the Charleston, South Carolina, News and Courier. It has to do with some revealing facts concerning training projects in Virginia, as disclosed by Senator Robertson of that state. Examples: 36 unemployed kitchen helpers were being trained at a cost of \$33,601. Sixty unemployed persons were being trained as nurses' aides at a cost of \$78,390. Eighteen unemployed workers were being trained as bricklayers at a cost of \$70,579.

Senator Robertson did a little arithmetic and found that it cost \$3,921 to train each bricklayer and \$5,497 to train each plumber's helper. Even in these days of inflation, you can get a good deal of college education for that kind of money.

You may be for or against the antipoverty and other welfare programs, but one thing is crystal clear: The costs, largely because the fine and grasping hand of politics is always present, run inordinately high in the light of the results obtained. And those costs are almost invariably greater than the optimistic preliminary estimates.

Sierra Madre News

Published every Thursday at 9 Kersting Court, Sierra Madre California, Los Angeles County, Post Office Box 37, Telephone EL 5-3394 or 5-3353.
The Sierra Madre News, Official Newspaper of the City of Sierra Madre is declared a Newspaper of General Circulation for the publication of legal notices as defined by Section 4400 of the Political Code of the State of California, in the Superior Court of Los Angeles County August 19, 1938. FREEDOM AT ANY PRICE

by
DR. HENRY V. WITTY

Management of this newspaper is not capable of answering questions to this column; however letters to the editor will be published and answers forthcoming from the writer. Articles are of the writer's opinion and do not necessarily reflect the policy of this newspaper.

When dog bites man, that has never been considered to be much news, but when man bites dog, wow, that's it! Once in a while every columnist should indulge himself in the luxury of creating "hot copy" by biting back. Granted, this is not exactly constructive action, in the true sense of the phrase, but it does go a long way toward easing the pain of existing scars inflicted by mad dogs and confused critics.

Dear Teacher with high IQ: I do appreciate your high degree of intelligence and your standing in the community! Believe me, I do. Yes, I have always considered myself to have close to average intelligence, but I must admit that you have me confused. Even though you are obviously less than enchanted with the political philosophy set forth in "Freedom At Any Price," would you please explain your closing paragraph: "Furthermore, I do not agree with over 90% of what you say and the other 90% I don't even know what you are talking about!" Is this the new math?

Dear D. O. Gooder: I do realize that love is a necessary and valuable commodity. But so are American taxpayer dollars and what baffles me is why so many liberals have a constant affinity for placing both valuable commodities on a "free" first-come-first-served basis!

Hello! ... King? ... No, definitely not, Mr. King! KKK "Grand Empress" Eloise Witte is neither my mother nor my sister. No, we're not related at all. You forgot to check the spelling, Mr. King. Sorry to disappoint you. Better luck next time. Call again, Mr. King. What's that? ... Yes, I'm the Witty that fights Communism and Socialism. ... No, Mr. King, I certainly do not believe that we should lose the war in Viet Nam. Do you? ... What's that?

Do I admire Martin Luther King? Mr. King, I just told you what I think of Communists and their misguided underlings! Hello! Mr. King! Hmmm ... I wonder why he hung up?

Dear Senator Kuchel: No, Sir, I am not a member of the Birch Society. No, Senator the Birch Society is not a Communist or liberal welfare organization. If it were, it might enjoy a much greater membership. Its membership, to my knowledge, does not stand for less responsibility, poor government and a lousy world, as you would like to convey. On the contrary, I find the actions of the Birch Society and its members to be consistent with the conservative American ideals of more responsibility, less government and a better world! I have based my opinion on personal research plus the findings of the California Legislature's 12th Report of the Senate Fact-finding Subcommittee on Un-American Activities. Upon what, Senator, do you base your opinion?

Dear Pinky Popoff who "Forgot to Sign."

No, I do not consider you an un-American who should be "turned over to J. Edgar," as you so dramatically charge. However, if your conscience is beginning to bother you, then why not turn over a new leaf?

Even though you very irresponsibly place me in the category of "the despicable Communists," I do not choose to retort in kind. My only opinion of you and your kind, since you asked for it, is that you are a very confused American lacking the GUTS to sign your name to unsubstantiated charges!!

Which only brings to mind the biting yet honest words of William Congreve: "I hear a great many of the fools are angry at me, and am glad of it, for I write at them, not to them."

OUT OF THE COBWEBS

Five Years Ago:
March 2, 1961

Ralph Rule is unanimously elected to succeed Milton Emerson on the City Council.

Christine Fisher of 201 Adams wins the Sierra Madre Lions 23rd annual Student Speakers Contest.

At the 54th anniversary of the S.M. Women's Club, the following are honored: founder, Mrs. Caroline Osgood; president emeritus, Mrs. J. Milton Steinberger, current president; Mrs. Edward Beutler, and past presidents Mrs. Hula Ingraham, Mrs. Baird, Mrs. John H. Robertson, Mrs. Hudson Proctor, Mrs. A. E. Pulling, Mrs. Al Meyers, Mrs. Edward Halperin, Mrs. Ora Olsen, Mrs. Edward Wilcox, Mrs. Helen Bonr, Mrs. Percy Kortcamp, Mrs. Neil Fallon, Mrs. Clara Sykes, Mrs. Franklin Franco, and Mrs. Murray Harris.

Twenty Years Ago:
March 7, 1946
Mrs. William E. Doty, 673

Mariposa with the U.S. Government during the war in charge of bread production, is scheduled to speak in Chicago at National Convention of American Society of Bakery Engineers, of which he was one of the founders.

Seven candidates file for city elections: Eddie Robertson, Milt Steinberger, Vinton Hoegee, Henry B. Nuetzel, Norman O. Nelson, Helen H. Narcozny, Russell Lovejoy, Jr.

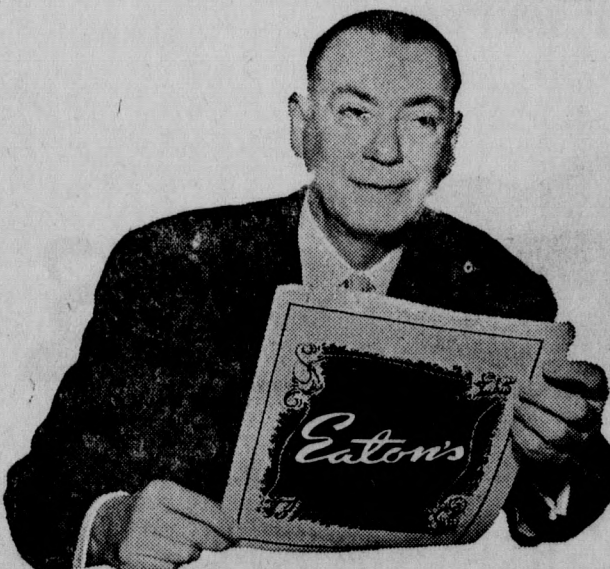

Thirty Years Ago:
March 6, 1936

Those participating in preparations for the Wistaria Fete to raise funds for the city firemen's welfare work are, in addition to fire department under Fire Chief W. D. Richards, Mrs. James Heasley, Mrs. Lee Hibbs, Mrs. Roy Walsworth, Mrs. Marguerite Gerlach, Mrs. Marguerite Gerlach, Mrs. Roy Davis, Mrs. Frank Hilbrant, Mrs. Emile Smith.

Joseph Dauben On Dean's List

Dean Harold McClelland has announced that 204 students at Claremont Men's College have been named to the Dean's List for the first semester of 1965-66.

Among those earning honors for grade averages of 3.0 or better for a minimum of 14 units of study was Joseph W. Dauben, a senior, son of Mr. and Mrs. Elmer J. Dauben, 401 N. Sunnyside, Sierra Madre.

Auxiliary Profit At the Races

"Fun for Funds" took real meaning when Sierra Madre Community Hospital Auxiliary's exciting Day at the Races netted almost \$500. The event was planned to raise funds toward the purchase of the uni-cart tray for serving hot food hot and cold food cold to the patients. Mrs. Eldon Clough, ways and means chairman was in charge of the event.

The sixth race was dedicated to the group and chairman Mrs. Clough and Mrs. Jack Eisenhart who is the assistant administrator of the hospital were photographed in the winner's circle.

Crib Crop

Heidi Suzanne is the name chosen for the new addition to the family of Mr. and Mrs. Harland E. Rupp of 285 Sturdevant Drive, Sierra Madre.

Little Heidi made her arrival at 11:49 at St. Luke Hospital on Wednesday, Feb. 16, and she weighed in at a dainty 5 pounds, 3 ounces.

The happy mother and her new daughter are reported doing fine.

Defensive driving will always pay Check your tires often for proper inflation pressure.

Letters to the Editor

Dear Sir:

The American Association of University Women has long foreseen the tremendous problems arising from the population explosion. Recently the Arcadia Branch of the AAUW has become aware of the intensity of the problem in Los Angeles County and of many unmet needs in population control.

It is generally accepted that women who desire family planning guidance should be able to receive help which is compatible with their beliefs and needs. In our county many women who are medically indigent and therefore dependent on care provided by the County Health Department and the County Hospitals now do not have knowledge of, or ready access to, such services. The tragedy of the unwanted child is apparent to all.

Feeling strongly that the quality of each human life is of utmost importance, the Arcadia Branch AAUW has sent resolutions to Supervisors Bonelli and Dorr urging them to see that family planning services are implemented and expanded throughout the county. We have urged 22 other AAUW branches in the county to approach their supervisors and we are encouraging

other community organizations to consider such action. Without these services the population cannot be controlled. Without them the problems of escalating taxes to take care of the unwanted child, delinquency and crime, overcrowded schools and mounting unemployment cannot be stopped.

We sincerely hope that the Board of Supervisors will receive wide community support for this program.

—ALICE SWANSON
President, Arcadia Branch, AAUW

Dear Editor:

Yes sir, come City Council election time we got all kinds to choose from! For the voters who want city affairs conducted by raincoat demonstrations and petulant harrangues there's the two hopefuls from that Safe and Beautiful group. And for the super liberals there's the lady representing the League of Women Voters — an outfit with a left wing record as long as your arm.

Of course, if anyone wants good, old fashioned, deliberate, conservative people to look after city government, there's always three incumbents running for re-election — Mayor Abernethy, Vice Mayor Rule and Councilman Parks.

You got to sometimes wonder how many reasonable voters there are around these days, but then who use the brains they were born with certainly have a clear cut choice this time around.

No one agrees all the time with any City Council, but the folks we got now are good Americans.

And you just can't hardly find them kind any more.

— STIFBAK

You and Your Neighbor

by Mary-Madeleine Lanphier

Our City Attorney, Charles R. Martin, now living in San Marino is well aware of youth needs in all the park to-do, for he has small fry of his own, Melinda 5 and Rodman 4, who both go to pre-school at Town and Country. Mrs. Martin reports that her husband was out for a week with flu and the rainbow's end which sustained her during the home nursing bit is the family's hope of paying a visit to her Marine Corps brother in Hawaii sometime in the late summer.

Also dreaming of a trip to Hawaii planned for Maytime, is the amazing Mrs. Lillian Sage of 150 N. Sunraysia, who recently celebrated her 70th birthday. No flying fear in that household; soon Mrs. Sage plans to fly off to Denver "for lunch with her niece" as she puts it.

It's a travelling town. Barbara and Jim Heasley managed a recent visit to Kendall Heasley and his wife in Bakersfield and saw young nephews Kendall and Christopher.

Gina and Ted Velsquez did make it up from La Jolla this weekend with their four children and spun round in a flurry of phone calls and quick visits, with apologies to those they didn't manage to contact. Said it seemed like entering a disaster area, so many have been touched by the epidemic; apparently ocean air has protected them.

Mr. and Mrs. Charles Kelley of 3500 E. Colorado Blvd., who went to Milwaukee at Thanksgiving time and brought back Mrs. Kelley's mother, Mrs. Carl Anderson Sr. for a stay with them here, are driving her to Bakersfield to the family of her son Carl Anderson, where she will visit until her return to Wisconsin in May.

Mrs. Georgia Zurn, 31 E. Bonita, whose husband Richard died last August, has kept very busy with work and family during this winter. As friends know, Mrs. Zurn is a teacher in the Pasadena schools. Her youngest, Marilyn, goes to Wilson. Another daughter, Georgia Ann is doing graduate work in education at USC. Laurie, now Mrs. Esterbrook, lives at Garden Grove, so she gets to see her. And her only son, Gerald, now has the household in a tizzy because of the likelihood of being drafted. Since Mrs. Zurn went East for a time immediately after her husband passed away, many friends were not aware of his death and may wish to be in touch with her.

A young couple who symbolize the world outlook characteristic of their generation are Carolyn and Donald Poundstone, who are living this school semester

in Sierra Madre after two years spent in Brazil as members of the Peace Corps. Carolyn is a niece of Eugene Baird of this city and she and her husband, who both attended UCLA, are living at 390 W. Sierra Madre Blvd. while he now attends Fuller Seminary in Pasadena as a special student and she works in Pasadena. At the end of summer they will be going to Westminster Theological Seminary in Philadelphia, where Mr. Poundstone will complete his studies preliminary to being ordained in the Orthodox Presbyterian Church. The couple do not have definite plans about returning to Brazil at this point of their thinking, but cherish their recent experience. Their work was with the national school lunch program for the district of Espirito Santo, where they lived in the community of Sarra, and through talks and demonstrations with parents and teachers taught the preparation of food to supplement school lunches, utilizing wheat products and powdered milk from the U.S. surplus "food for peace" which the government of Brazil purchases from us. Sounds like most valuable preparation for a couple who may someday have a parish to serve.

Jim and Barbara Dunnagan sustain themselves during their family flu bout with happy plans for their coming trip in May to Corpus Christi, Texas, where they will have a grand if all-too-brief reunion with various aunts and uncles of Mrs. Dunnagan's family. The hope of going along serves as prod for homework for the children, of which Vicky, a student at PCC, has plenty. Michael (family comedian) has tried out for the Wilson talent show (as have the Lanphier twins, Stenny and Jenny), so there'll be Sierra Madre applause when the show is produced. On the way to Texas the Dunnagans will stop off at Eagle Rock to visit with Ed and Jane Hawkins, former residents (he used to be principal of Sierra Madre School) and then in El Paso will visit with Barbara and Oscar Loera (she used to be secretary at this school)—so prepare your messages to old friends.

With the weather continuing to be balmy, Mrs. Margaret Anthony took advantage of it to go off to the desert to Yermo and the archaeological diggings there to pursue her avocation of concern with past times. Mrs. Anthony is the wife of Lester R. Anthony and lives at 249 San Gabriel Court. Sometimes she lures him and other members of her family to join her there, though it is not known whether her powers of persuasion are powerful enough to obtain any help with the actual digging.

Local Students Interview Folk-Rock Singer

Barb Hill and Pat Ward have written an article which appears in the Spring issue of Datebook, a national magazine for teenagers, on sale around March 8.

Barb, of 130 E. Bonita Ave., with her friend Pat, of 209 W. Highland Ave., managed to obtain an interview with Chad Stuart, a famous folk-rock singer. Their exclusive report appears in the Teens Interview Stars section of Datebook.

Ramona Outdoor

Dorothy Bailey Vosburg was selected, in recent auditions, to play the leading role of Ramona in the famed Ramona Outdoor Play, to celebrate its 39th year in the Ramona Bowl, in the hills above Hemet, beginning with the Saturday and Sunday afternoons of April 16 and 17.

The famed role of the heroine of Helen Hunt Jackson's historical novel, is not new to the actress. Dorothy Bailey Vosburg appeared as Ramona from 1951 through 1957, and her continued association with the colorful California outdoor drama found her understudying the role from 1963 to 1965 and last year also assisting the director.

Play April 16-17

In the role of Ramona, Dorothy Bailey Vosburg, will appear opposite Maurice Jara, as the Indian hero, Alessandro.

Victor Jory, whose prominence as an actor, started when he played the hole of Alessandro, during the early days of the drama, is returning to stage the play for his second consecutive season.

The Ramona Outdoor Play will be staged by the people of Hemet and San Jacinto, on three weekends April 16 and 17, 23 and 24, April 30 and May 1.

Tickets are now available at the Ramona Bowl office, Post Office Box 755, Hemet, 714 658-3111. Prices are \$2, \$2.50, \$3 and \$4.

Take your problems to CHURCH this week -- millions leave them there!

...and FORGIVENESS

Sin is a disagreeable word that millions shun. It casts a shadow of separation. It raises chill thoughts of an impenetrable and eternal barrier between humanity and God...

Forgiveness on the other hand is a warm and inspiring word. It promises that life's slate can be wiped clean. It brings us close to God — and to one another.

An Execution on a Friday centuries ago... an Empty Tomb in the dawn of the first Easter Day... a Faith that has gripped human souls for all the generations since — these are forever entwined with the stark realization of man's sin and the blessed assurance of God's forgiveness.

That is why, when we think deeply of the meaning of these words — of their implication in our own lives — we find ourselves at the very heart of the Christian religion.

And it is why these soul-stirring weeks at the threshold of Christ's suffering have long been the time for such searching thought!

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Collection of Glass Bottles On Display

table glass — a cylinder of light blue glass strangely free from flaws.

"Egyptian glass was prepared in shallow trough-shaped clay crucibles containing about five pounds of the basic material, sand, and vegetable ash or soda from their salt lakes. Priests were consulted before the glassmen lit fires in the primitive hearth pits, and the ingredients fused to an accompaniment of noisy ceremonial and incantations.

"The Britains continued glass making after the Roman withdrawal, producing wares of bluish green tints; the word glass is actually derived from the Celtic

"glas" meaning bluish-green. . . . The Bishop of Mayence sent a number of glass blowers to England in A.D. 678, but there are no records of their work.

"The recognized center of the English glass industry, then and for the next thousand years, was Chiddingfold in Surrey. Here window glass was manufactured as well as coarse, deep green glass ware for domestic use, no technical improvements occurred until Elizabethan days. Drinking glasses of the tumbler type and other domestic ware were made by the glassmen moving from place to place near natural deposits of glass-sand in search of forest timber and the plants of bracken and glasswort from which to make their potash. Beech was their favorite fuel, the site of a wooded hill their favorite site.

The demand for better glass in England was related in the above mentioned book as follows: " . . . Ever by 1670 transparency had improved but the Worshipful Company of Glass-sellers, incorporated during 1664 with autocratic powers over glass manufacturers and retailers in London was far from satisfied with the quality of the English crystal.

These arbiters of design and fashion demand that glass manufacturers should experiment until a "bright, clear and whist sound Metall" was produced.

The Glass-sellers, assisted by a group of English scientists, including Robert Boyle and Christopher Merret, financed experiments. This resulted in George Ravenscroft evolving the English flint glass which was soon to monopolize the table glass trade of the world."

And the Far West is part of the world where bottles of glass are found today by those interested, and we can see how important glass bottles were to those searchers of gold in Colorado, Nevada and Colorado by the display now at the library.

Letters to the Editor . . .

Dear Editor:

I have enjoyed living in Sierra Madre for over thirty years, during which time I was gainfully employed by the Union Pacific Railroad at Los Angeles. Although now a senior citizen, I still have a keen interest in railroads and their present and future welfare.

The Union Pacific Railroad, with an outstanding record of service to its patrons, recognizes the present trend toward mergers in order to remain competitive and enjoy the advantages of other large railroads in this area as well as compete with other forms of growing subsidized transportation.

It is easily seen that to do so access to the important interchange points of Chicago and St. Louis is necessary. Toward this end the Union Pacific Railroad is promoting a merger with the Chicago Rock Island and Pacific Railroad, which has the approval of the combined stockholders and the plan awaits the consideration of the Interstate Commerce Commission in the near future.

The success of the project means benefit to the patrons of the railroad and to the communities served, including Sierra Madre, although it is not directly served by a railroad. Single line service between Southern California and the Northwest points and the main eastern gateways will permit better scheduling of trains and more reliable service and will induce the location of new industries on the West Coast and in this area. Having been in charge of the Freight Claim Department for a number of years prior to my retirement, I have first hand knowledge of the elimination of freight delay and opportunities for freight damage through longer haul operations.

The people of this area stand to gain by the merger being proposed by the Union Pacific Railroad and the benefits and reasonableness

of the merger should solicit active approval of the citizens of this community.

Your willingness to print this letter in your fine newspaper is very much appreciated.

—RUDOLPH E. CARLSON

Dear Editor:

The finest and most practical suggestion for the future development of the Sierra Madre shopping district I've ever heard from a Sierra Madre businessman was made recently by Douglas Delahooke, the new president of the Chamber of Commerce. More power to him and the C. of C. if this idea is followed up!

I am speaking of his suggestion that businessmen in Sierra Madre capitalize on the unique character of the city and its potential charm, as such cities as Carmel, Palos Verdes, Rancho Santa Fe and Solvang have done (to name a few). It would not only attract our own citizens to shop here but others from nearby communities and even those passing on the Freeway (soon to be here).

Work to make it a distinctive and "fashionable" place to shop. For a start, a unique and good eating place with facilities for outdoor lunching and dining. I know of very few such restaurants within many miles of here. In fact, I can't think of one. Paris has its popular sidewalk cafes and I've always wondered why California cities don't have more of them, with our far superior outdoor climate.

The last thing Sierra Madre needs is a shopping center in the middle of town in place of our attractive and much used Memorial Park with its historic adobe Park House and the adjoining logical and convenient location for our much needed new City Hall.

"Charge!" Doug, and Sierra Madre Chamber of Commerce.

Sincerely,
 —JANET WOOD.

Shakespeare Club Department Meetings Planned

On Tuesday, March 1, at 11 a.m. Special Morning Program, Mrs. A. Claude Braden will show her beautiful movies, "Cruising on Waterways of Europe." Mrs. David B. Scott, chairman, 12 noon luncheon. Invocation by the Rev. Warren McClain, associate minister of Westminster Presbyterian Church. Mrs. A. Bischof, Bible Department director.

Dr. Robert E. Jerkins, superintendent of Pasadena City Schools will speak on the bond issue, and will be introduced by Mrs. Kenneth H. Lamond, chairman of public affairs.

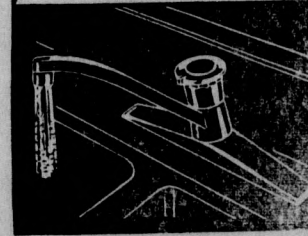

At 1:30 p.m. Mrs. James C. Chambers, president, will have charge of report of nominating committee. Curt Matsor narrates his film on Switzerland. Mr. Matsor's credits in acting, orating, television, sound like a page from "Who's Who." His youth and verve will carry you along on one of the greatest armchair rides of your life. Mrs. Walter L. Benedict, program chairman.

On Wednesday, March 2: With Mrs. James C. Chambers, president, presiding, the American Home Department will meet in Stratford House at 10 a.m. Meeting followed by 11 a.m. program. Luncheon served at noon, followed by bridge. Reservations by the previous Monday noon with Mrs. T. R. Bates, 355-8545; Mrs. Jerald Andersen, 794-8383; Mrs. Ted Segers, 283-9705; or Mrs. Russell Richardson, 355-0494. Mrs. Robert E. Price, is director.

Friday, March 4 program: With Mrs. James C. Chambers, president, presiding, the Shakespeare Department will meet with Miss Helen Louise Taylor, chairman at 11:30 a.m. in Stratford House. Those attending are asked to bring a sandwich. Coffee and dessert will be served by the committee. At 12:15 the reading of "Antony and Cleopatra" will be continued.

NOTICE OF PROPOSED CHANGE OF ZONE CLASSIFICATION

NOTICE IS HEREBY GIVEN that the Planning Commission of the City of Sierra Madre will hold a public hearing set by the City Council on Thursday, March 17, 1966, in the Council Chambers in the City Hall, located at 55 West Sierra Madre Boulevard, Sierra Madre, California, for the purpose of considering a zone reclassification from R-3 (as adopted by Ordinance 538 to C-1 for the following described properties:

Lots 5 through 16, inclusive, of the Harts Subdivision (presently zoned as a park) and Lots 1, 2, 3, 4, 17 and 18 of the Harts Subdivision. Such property is located between Sierra Madre Boulevard and Mariposa Avenue and extends 460 feet westerly of Hermosa Avenue.

Interested persons may attend and will be heard with respect thereto.

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that pursuant to the provisions of the Code of the City of Sierra Madre, Section 9623, that the Planning Commission of the City of Sierra Madre has fixed Tuesday, March 22, 1966, at the hour of 8:00 p.m. in the Council Chambers of the City Hall, 55 West Sierra Madre Boulevard, Sierra Madre, California, as the time and place for holding a public hearing on a proposed variance to reduce front yard setback to 5 feet from a requirement of 25 feet and a variance to reduce side yard setback from a requirement of 10 feet to 5 feet for property described as Lots 417 and 418, Tract 2456, being further described as approximately 500 Alta Vista Drive.

Application and map are on file in the office of the Secretary of the Planning Commission.

The application alleges that there are special circumstances attached to said property which generally do not apply to other properties in the same district and vicinity; that the granting of a variance as aforesaid will not result in a material damage or prejudice to the public welfare or injurious to persons in the vicinity thereof, in that the proposed variance, if granted, would be subject to such conditions as the Planning Commission may deem necessary to assure that the spirit and purpose of said City Zoning Code will be observed, public welfare and safety secured, and substantial justice done to all parties.

Interested persons may attend and be heard.
